This is to advise you that the following product will be changed.

Product ID (Description):

LQ050Q5DR01 LCD Module

Description of Change:

Due to manufacturing equipment age and environmental restrictions, Sharp is changing the production site of the LQ050Q5DR01 LCD Module to the Taki factory.

This factory change will result in a gap in production output. Customers are requested to provide demand forecasts covering the period up to September 2009 by 15 December 2008.

The modules produced at this factory will be redesigned to include updated subassemblies and materials, but the parts remain completely form, fit, and functionally compatible with the current part numbers. Mechanical, electrical, optical, reliability, quality, and RoHS specifications remain unchanged.

The current part number for this part will remain unchanged, but the Specifications for this part will be updated to reflect its redesign.

Orders for Samples should be submitted by 15 February 2009. Samples will ship during the first two weeks of May 2009. Updated Specifications will be available during this time frame. Production is targeted for September 2009.

Effect of Change:

Sharp is changing the production site of the LQ050Q5DR01 LCD Module over to the Taki facility. During this change, the part will undergo a redesign to update its technology, but the part number will not change.

There will be a gap in production output. To cover this gap and to continue to provide delivery, Customers are requested to provide demand forecasts covering the period up to September 2009 by 15 December 2008. Sharp is making no changes to the optical, reliability, quality, mechanical, electrical, or RoHS specifications.
