*This is to advise you that the following product will be changed.
This PCN has been revised, due to factory schedule changes.
Revisions are noted in parenthesis.*

Product ID (Description):

LQ050Q5DR01 LCD Module

Description of Change:

Due to manufacturing equipment age and environmental restrictions, Sharp is changing the production site of the LQ050Q5DR01 LCD Module to the Taki factory. The current part number for this module will remain unchanged, but the specifications will be updated as necessary to reflect its redesign.

This will result in a gap in production output. Customers are requested to provide demand forecasts covering the period up to January 2010 by 30 January 2009.

Orders for samples should be submitted by 1 June 2009. Samples will ship in October 2009 (previously: May 2009). Specifications will be available during this time frame. Production is targeted for January 2010 (previously: September 2009).

Effect of Change:

Sharp is changing the production site of the LQ050Q5DR01 LCD Module over to the Taki facility. During this change, the part will undergo a redesign to update its technology, but the part number will not change.

There will be a gap in production output. To cover this gap and to continue to provide delivery, customers are requested to provide demand forecasts covering the period up to January 2010 by 30 January 2009.
